

Matthew M. Schweitzer
Vice-President, North Rim Partners, Inc.
Principal Broker, North Commercial Realty
Principal, North Rim Development Group, LLC

Education, Experience and Background:

Matthew earned his BA Degree in Psychology from Lewis and Clark College in 1992. He has completed the Real Property Administrator designation from the Building Owners and Manager Association.

Upon graduating from college he was employed by Bluestone & Hockley Realty as a commercial property manager. After a few years with Bluestone & Hockley he then went to work for Norris and Stevens Realtors in the same capacity.

He has managed many different building types including single family, multi-family, retail centers, office buildings, industrial buildings and mixed use projects.

In 1995 Matthew joined Jeffrey Weitz founder of North Rim Development, Inc. and North Rim Commercial Realty, Inc as a property manager, leasing and sales broker.

He has been instrumental in the growth of the company for the past 12 years and is now heading up the leasing and the marketing for the companies development projects. He is also the director of the companies asset management division.
